

Elmer Township Meeting  
July 15, 2019  
Minutes

Meeting called to order at 7:05 pm

**Members Present:** Marty Galbraith, Supervisor; Jeanie Smith, Clerk; Jenni Layman, Treasurer; Sue Stenson, Trustee

**Absent:** Richard Ellis, Trustee

Number of non-members present: 2

June 2019 minutes approved as read. Treasurer's & Clerk financial reports approved as presented.

**Tax Notices:** The Equalization Office sent out incorrect tax notices, then sent out corrected notices which caused confusion for some who had already paid their taxes. The difference in most cases was less than a dollar difference. Jenni will put on the answering machine a message stating the issue and giving them options.

**Yordy Rd** work has begun and regarding the burned building on M33, it appears some small progress is being made in cleaning it up.

**Water Line:** It appears that DTE may have damaged the water line to the cemetery when putting in the natural gas line last December. Marty will be talking with them.

**Transfer Site:** Doug Wellman mentioned that there was too much scrap metal building up at the transfer site, leaving little room for his truck to maneuver. Curt was responsible for seeing to the metal but hasn't done so. Byler boys were told to go ahead and take the metal.

Besides not keeping the area cleaned up and other work not being done, the issue of Curt often being late and not opening the dump on time was discussed. Again last week several cars were waiting in line for it to open. The consensus of the board is that a final warning be given.

Motion made to accept bills. Checks 3013-3038

Meeting adjourned.

Submitted by  
Jeanie Smith, Clerk
