**Burned Building:** Marty talked with Glen Pelton about cleaning it up. Glen says he is still trying to get insurance company to pay.

**Yordy Rd.** – Rd. Commission says it won't be too long before they begin work. Regarding the private section of road, the landowners have not come to an agreement on how that should be handled at this point. Marty will send a letter to them.

**Fireworks** – A suggestion was brought up about making a donation to the county's fireworks. There was no information as to whether there is a need for donations so the board declined to pursue that.

**Dust control** – Dave Heinz attended the meeting. He has two miles of road with no residents and wondered if there were any options for getting dust control on it. He will talk with the Rd. Commission to see what they might offer.

**Commission Chuck Varner** says the building of the courthouse is going well. The excessive rain caused some issue with the foundation and that had to be fixed.

**Sheriff Kevin Grace** discussed some issues with the road construction on M-33.

**Cemetery caretaker,** Raquel Rondo requested a new trimmer. Sensenigs has one for \$ 170 that she can get. She mentioned that Albert Miller is no longer doing small engine repair so future repairs can be taken to John Nelson.
